Green audit is the process of identifying and determining whether institutions practices are eco-friendly. Green audit, also known as an Environmental Audit. Our goals of green audit are assess facility of different types of waste management. Increase environmental awareness throughout campus. Motivates staff for optimized sustainable use of available resources and the long-term goal of the environmental audit programme is to collect baseline data of environmental parameters. It resolve environmental issue before they become problem. To setup goals, vision, and mission for Green practices in campus is our main objective.

Work for green campus at Shri Krushna Bahuudeshiya Samajsevi Sanstha Osmanabad, College of Education, Osmanabad is underway and will be completed soon. Green audit work is going on for that.
